

Wednesday After School Art Classes!

Sponsored by Arts Enrichment and Fernwood PTSA

Art For Kids School will be offering after school art classes at Fernwood Elementary for the Fall 2017. **These are ongoing classes, open to new and returning students, and projects are not repeated.** The program is process oriented and designed to enhance your student's enjoyment of art and creative expression.

The emphasis in the program is to acquaint students with various materials, and to develop skills, thereby enhancing their self-esteem in regard to their creativity (in a technique-based, sequential-learning program, similar to piano lessons). Students will have an opportunity to explore their creativity through a variety of materials including pen and ink, watercolors, acrylics, pastels, clay, and plaster. Drawing techniques are incorporated in these classes as well as painting and sculpting techniques. Classes are taught by a professional, degreed artist.

Classes will take place after school on Wednesdays from 2:05-3:05 p.m. for students ages 5-8, followed by a class from 3:20 – 4:20 p.m. for students ages 9-12. The Fall 2017 schedule begins October 4, 2017 and continues through January 31, 2017. **Please note a commitment is required for the entire semester. Two payment options are available—payment in full of \$187.50, or 3 equally divided payments of \$62.50 (this works out to be \$12.50 per class).** Additionally, there is a \$5 registration fee.
